I know you know my boyfriend is out of town so have a drink, let's talk it over So many things I shouldn't be sayin now You know I like my boys a little bit older I just wanna use your love tonight, tonight, tonight, tonight I don't wanna lose your love tonight

All my girls are no where to be found they all split when I'm in trouble but I'll tell you all my secrets if you stick around the 'undercover-lovers' under the covers I just wanna use your love tonight, tonight, tonight, tonight I don't wanna lose your love tonight

I just wanna use your love l-o-v-e, l-o-v-e
I just wanna use your love l-o-v-e, l-o-v-e
I just wanna use your love l-o-v-e, l-o-v-e

Try to keep my head from spinning too much to drink - not making sense been a while since I've been with someone new but I can't stop the way I'm feeling

As you leave please would you just close the door now that our love affair is over you're exactly what I was looking for well go find a shoulder to cry upon

I just wanna use your love
tonight, tonight, tonight - tonight!
I don't wanna lose your love tonight (3x)

(You don't mean nothing at all to me You don't mean nothing at all

I think I'm done fuck'n singing this song Singing this song, song, song song
