

Cocktails And Ruby Slippers

Katzenjammer

Volatile and shaky, I wish you were inside me
Rattling like the subway, oh that is on a good day
But I can keep the straightest face, wear a mask and find my place.

I guess you wanna see me, as underage and dreamy

I am tending to my uniform fetish
And the thought makes the hairs on my neck stand up
Luxury, is what I want to rain on me
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers

That woman's got no clothes on, I've always been the proud one
Love is an ambition, existence a petition
I'm walking down a yellow road, my ego ready to explode
I fell asleep upon a tray, I'm your dinner and I'm on display

I started out gently cuffed to the bed
With my eyes on the prize oh man it looks nice

Luxury, is what I want to rain on me
A courtesan lifestyle, cocktails and ruby slippers
Luxury, is what I want to rain on me
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers

Cocktails and ruby slippers,
Cocktails and ruby slippers,
Cocktails and ruby slippers,
Cocktails and ruby slippers, ruby slippers

Luxury, is what I want to rain on me
A courtesan lifestyle, cocktails and ruby slippers
Luxury, is what I want to rain on me
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers

Luxury is what I want to rain on me (Cocktails and ruby slippers!)

A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers
A courtesan lifestyle, cocktails and ruby slippers...
