

## Le Pop

## Katzenjammer

Feelin' like a lollipop forgot in Pyongyang  
Dancin' to the voodoo beat boom bam bam  
Baby doll, remote control  
Caravan love is all you know  
Kickin' at the motherfuckers one by one  
You sell tickets to a funeral  
'Cause you need tickets to The Cramps

A rock'n'roll band, a little whiskey,  
a candy apple  
All you know you're dancing  
till you drop  
when you're listening to Le Pop

Pick me up and drive me home  
Crank crank crank crank  
crank up the volume  
Pull up the tights  
to your wuthering heights  
No means no, no means no

You sell tickets to a funeral  
'Cause you need tickets to Katzenjammer
