

Just the Way It Is

Kavana

You know it doesn't matter what you do
I don't care if you might think that I'm wrong
Not a thing is gonna keep me from you
Gotta have you yeah just the way it is

Pardon me I don't mean to upset you
I don't mean to be rude
I don't mean to distress you
It's just my attitude
You know we won't get nowhere
If you keep holding back
There's no need to rush it
So sit back and relax

Ooh, gimme love, gimme love
Give me all your love, all your love
Open up, let me in
Let me show you just what I'm made of, girl
You know i think about you
It's more than just night and day
It leads me to conclude that, i gotta say

Do you know i really can't believe it
You never saw me there
I watched you from the shadows
I followed you everywhere
I had you as my lover
But only in my head
I had you everywhere girl
Even in my bed

Ooh, gimme love, gimme love
Give me all your love, all your love
Open up, let me in
Let me show you just what I'm made of, girl
You know we can't deny it
We've got it all here tonight
Don't even try to fight it
You know it's right

It doesn't matter, no
Doesn't matter what you're doing
Doesn't matter, oh, oh, oh yeah
