

Misunderstood

Kavana

How many time do I have to say
I didn't mean the things I said
I'm sorry for the way that I was messing with your head
I always seemed to put you down
But I didn't understand
I needed time to find my mind
and learn to be a man
Can't you see that I am trying
Can't you see that I was
Misunderstood
If only I could
Make you believes that I'm the one
I told you before
But chose to ignore
So I'm telling you now I'm gonna prove my love to you
How many reasons did I give when I let you down
Ones too many
But not enough to keep my feet on the ground I know I'm not the
thinking kind
And words don't come easy
But I've sat right down and thought it through
And now it's clear to me
Can't you see that I am crying
Can't you see that I
