

# Thank You

Kavana

Thank you thank you thank you baby  
Du du du du du du du  
Thank you thank you thank you love

Everybody's going home  
It's time to say goodbye  
And I wanna say thank you for being there  
I know the time is getting late  
And I don't wanna keep you here  
The time has come for me  
To show you how much I really care

Friends come and go  
But we've been through it all together  
And time goes to show I owe it all to you

Another year has come around  
And I'm so lucky that I ever found you  
Thank you, thank you, thank you baby  
And everyone that I've ever known  
Cannot compare to the love that you've shown  
Thank you, thank you, thank you, love

Through the hard times, you understood  
And without you there, I never could  
Have coped with my problems on my own  
The years have gone by so fast  
The memories I have will last  
Inside my heart forever now

And friends come and go  
But people like you are hard to find  
And time just goes to show  
I wouldn't change a thing

Another year has come around  
And I'm so lucky that I ever found you  
Thank you, thank you, thank you baby  
And everyone that I've ever known  
Cannot compare to the love that you've shown  
Thank you, thank you, thank you, love

I've always known how lucky I am  
To have you here beside me  
So before you go, I wanna say  
Thank you, my baby, thank you

Thank you, thank you, thank you, baby  
Du du du du du du, yeah  
Thank you, thank you, thank you, love

And friends come and go  
But we've been through it all together  
And time just goes to show I owe it all to you  
You... you

Another year has come around

And I'm so lucky that I ever found you  
Thank you, thank you, thank you baby  
And everyone that I've ever known  
Cannot compare to the love that you've shown  
Thank you, thank you, thank you, love
