

## I'll Never Be Free

Kay Starr

Each time I hold somebody new  
My arms go cold aching for you  
No one can take your place  
(Darlin' in my embrace)  
I'll never be free

And when my lips burn with desire  
No other kiss puts out the fire  
Though I may try and try  
(No one can satisfy)  
This longing in me

(I'll never be free from your smile so tender)  
(The sweet surrender in your eyes)  
How can I be free when I still remember  
How you could thrill me with a sigh

Just like a chain bound to my heart  
Your love remains when we're apart  
Each kiss, I gave to you  
(Made me a slave to you)  
I'll never be free

Just like a chain bound to my heart  
Your love remains when we're apart  
Each kiss, I gave to you  
(Made me a slave to you)  
And so I'll never be free
