

Jamie Boy

Kay Starr

My Jamie boy, Jamie boy
I see you walkin' by the water, water
Blue water, water
My Jamie boy, Jamie boy
Why are you walking all alone

Somebody
Should be with you
My Jamie boy
Should be holdin' you
My Jamie boy
Somebody I know

Can't you tell
Who is watching my
Jamie boy
Should be holdin' you
Jamie boy
Somebody I know

It is I
Who is eager to walk with you
And I am eager to talk with you
I want you so

Why are you walking all alone
Why are you walking all alone
Why are you walking all alone!
Jamie boy
