

## Side By Side

Kay Starr

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we'll travel along, singin' a song  
Side by side  
Don't know what's comin' tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road, sharin' our load  
Side by side  
Through all kinds of weather  
What if the sky should fall  
Just as long as we're together  
It doesn't matter at all  
When they've all had their quarrels and parted  
We'll be the same as we started  
Just travelin' along, singin' our song  
Side by side

See that sun in the mornin'  
Peekin' over the hill  
I'll bet you sure, it always has  
And it always will  
Well, that's how I feel about someone  
And somebody feels about me  
We're sure in love with each other  
And that's the way it's gonna be

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we'll travel along, singin' a song  
Side by side  
Don't know what's comin' tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road, sharin' our load  
Side by side  
Through all kinds of weather  
What if the sky should fall  
Just as long as we're together  
It doesn't matter at all  
When they've all had their quarrels and parted  
We'll be the same as we started  
Just travelin' along, singin' our song  
Side by side
