

# Mammoth

Kayak

Yes, I feel like a mammoth today  
Like I'm going to die  
Yes, it seems I am lost anyway  
And I'm finding out why

Maybe tomorrow  
Stone age arrival  
Maybe tomorrow  
I'll be alright

Have you been like a mammoth sometimes?  
Do you know what you felt?  
Dare you speak about the social crimes?  
You can feel the ice melt

Maybe tomorrow  
Stone age arrival  
Maybe tomorrow  
I'll be alright
