Kazaky

Summer hate fresh meat  
sun sand sugar sweet  
sweet sugar sugar sweet  
ice lips tend swat flash

Common baby ass  
folk smoke clock  
common baby go

Want the sky on the top of mine  
I will make you mine tonight

You drive me crazy in my bed  
wait a minute  
You drive me crazy in my bed  
wait a minute  
You drive me crazy in my bed  
wait a minute  
You drive me crazy in my bed  
wait a minute

When I need it oh  
When I need it  
when I need it oh - you come to me  
When I need it oh  
When I need it  
when I need it oh - you come to me
