

Game over

Kazaky

Last night I saw you perfectly tricking so much
Upset your drinking and nothing could make you rush
Cause you know the music and martini
You play always like a genius
I should been waiting you till the evening
But fuck you got real flash

You know how to destroy my ego
You know how to deserve me right
Now I have some trouble for you baby
Let's see what happens tonight

Last night I saw you perfectly tricking so much
Upset your drinking and nothing could make you rush
Cause you know the music and martini
You play always like a genius
I should been waiting you till the evening
But fuck you got real flash

You know how to destroy my ego
You know how to deserve me right
Now I have some trouble for you baby
Let's see what happens tonight

Step1 I'm taking all my guns
Step2 primes I'll be gentle to you
Step3 baby come close to me take it easy
Step4 baby let's died on the floor
Step5 want to make you step on my side
Bam! Bam!! baby fall into my arm
