

Magic Pie

Kazaky

I know you like my body
I know you like my skin(or skill?)
I don't wanna show it
It's my secret
It's all in my dreams

Sometimes I need your reason
Sometimes I need your care
I don't wanna show it
It's my secret
It's all in my dreams

I wanna live the different life
I wanna be your magic pie
Don't tell me how
Just tell me why
Tell the wishes when just go into my mind

If you want to know my secret
If you want it you can try
If you want to know my secret
Gonna be your magic pie

It's my secret secret
It's my secret mine mine
I'm a magic
I'm your magic pie
It's my secret mine mine
It's my secret mine
I'm a magic
I'm your magic pie

I wanna live the different life
I wanna be your magic pie
