

Make Me Wanna

Kazaky

You make me wanna fly
Out of my mind
You keep me rolling high
Up to the light
You make me wanna live
If you believe
You make me wanna
You make me wanna feel

You're always make me feel this can be real
Take my hands this time for trying
I was always blind to see but time stands still
When that dream on the same desire (2x)

You make me wanna fly
You keep me rolling high
You make me wanna live
You make me wanna
You make me wanna feel

You make me wanna fly
You keep me rolling high
You make me wanna live
If you believe
You make me wanna
You make me wanna feel

You make me wanna fly
Out of my mind
You keep me rolling high
Up to the light
You make me wanna live
If you believe
You make me wanna
You make me wanna feel

You make me wanna fly
Out of my mind
You keep me rolling high
Up to the light
You make me wanna live
If you believe
You make me wanna
You make me wanna feel

You're always make me feel this can be real
Take my hands this time for trying
I was always blind to see but time stands still
When that dream on the same desire

You make me wanna fly
You keep me rolling high
You make me wanna live
You make me wanna
You make me wanna feel (2x)

You make me wanna fly

Out of my mind
You keep me rolling high
Up to the light
You make me wanna live
If you believe
You make me wanna
You make me wanna feel (2x)
