

# All My Love

KC and The Sunshine Band

Baby  
Baby  
Baby

I'm so glad...  
I will never find another lover  
Sweeter than you  
Sweeter than you  
And I will never find another lover  
More precious than you  
More precious than you  
Girl you are..  
Close to me you're like my mother,  
Close to me you're like my father,  
Close to me you're like my sister,  
Close to me you're like my brother  
And you are the only one my everything  
And for you this song I sing....

All my life  
I prayed for someone like you  
And I thank god  
That I...that I finally found you  
All my life  
I prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do love me too

I'd send you all that I'm thinking of...baby

Said I promise to never fall in love with a stranger  
You're all I'm thinking of  
I praise the lord above  
For sending me your love  
I cherish every hug  
I really love you

All my life (ohhhh..baby, baby)  
I prayed for someone like you  
And I thank god  
That I...that I finally found you  
All my life  
I prayed for someone like you  
And I hope that you feel the same way too  
Yes, I pray that you do love me

You're all that I ever know,  
When you smile all my face always seems to glow,  
You turn my life around,  
You pick me up when I was down,  
You're all that I ever know,  
When you smile my face glow  
You pick me up when I was down  
Say...you're all that I ever know  
When you smile my face glows  
You pick me up when I was down

And I hope that you  
Feel the same way too  
Yes I pray that you do love me too

And all my life  
I prayed for someone like you  
And I thank god  
That I...that I finally found you  
All my life  
I prayed for someone like you  
Yes, I pray that you do love me too

All my life  
I prayed for someone like you  
And I thank god  
That I...that I finally found you  
All my life  
I prayed for someone like you  
Yes, I pray that you do love me too

And all my life  
I prayed for someone like you  
And I thank god that I...that I finally found you
