

Baby I Love You (Yes, I Do)

KC and The Sunshine Band

Baby I love you and I'll never let you go but if I had to boy I
think that you should know
The love we made can never be erased and I promise you that you
will never be replaced.

Baby I love you and I'll never let you go but if I had to boy I
think that you should know
The love we made can never be erased and I promise you that you
will never be replaced.
