

Who Do Ya Love

KC and The Sunshine Band

I've got this feelin' all down inside
And this feelin' I just can't hide
I really love you, I really do
But I don't get the same feelin' from you

Who do you love, who do you love
Who do you really, really, really love (Tell me)
Who do you love, who do you love
Who do you really, really, really love

I would give anything in the world
Just to have you with me, girl
If it's a game I don't want to play
I'll just go my own separate way

Who do you love, who do you love
Who do you really, really, really love (Tell me)
Who do you love, who do you love (Tell me)
Who do you really, really, really love

Who do you, who do you love
Who do you really love
Who do you, who do you love

Who do you love, who do you love
Who do you really, really, really love
Who do you love, who do you love (Tell me)
Who do you really, really, really love

Who do you love
Who do you really, really, really love
Who do you love, who do you love
Who do you really, really, really love

Who do you love, who do you love
Who do you really, really, really love
Who do you love, who do you love (Tell me)
Who do you really, really, really love

Who do you love
Who do you, who do you love
Who do you really love
Who do you, who do you love, oh

Who do you love, who do you love
Who do you really, really, really love
Who do you love, who do you love (Tell me)
Who do you really, really, really love

Who do you love, who do you love (Oh...)
Who do you love (I got to know)
Who do you love (Oh, tell me so)
Who do you love (Which way to go)

Who do you love (Oh), who do you love
Who do you really, really, really love (Who do you really love)
Who do you love, who do you love (I'm lost in confusion)

Who do you really, really, really love (Who do you love)

Who do you love, who do you love

Who do you really, really, really love

Who do you love, who do you love

Who do you really, really, really love

Who do you love
