

## Broken Toy

Keane

I think you know  
Because it's old news  
The people you love  
Are hard to find  
So I think if I  
Were in your shoes  
I would be kind

I look out for you  
Come rain, come shine  
What good does it do?  
I guess I'm a toy that is broken  
I guess we're just older now

I want to stay  
Another season  
See summer upon  
This sorry land  
So don't dust off your gun  
Without a reason  
You understand

I look out for you  
Come rain, come shine  
What good does it do?  
I guess I'm a toy that is broken  
I guess we're just older now

Who says the river can't leave its waters?  
Who says you walk in a line?  
Who says the city change its borders?  
Who says you're mine?

I look out for you  
Come rain, come shine  
What good does it do?  
I guess I'm a record you're tired of  
I guess we're just older now  
I guess I'm a toy that is broken  
I guess we're just older now
