

# Looking Back

Keane

You're living in a place you lived behind  
Going round in circles all the time  
Can see the way your head it's like you're blind  
So open your eyes and  
Time realign just what you got  
With what you nearly had and what you want  
You fall asleep and then the moment's gone  
So open your eyes and:

[K'Naan - rap]  
Looking back  
You always seem to be looking back  
Feels like your mind's always somewhere else  
You're always looking over your shoulder

Think about the places you could never been  
Beauty in the faces that you never see  
As you lad sleepy  
How the moment flies  
So open your eyes and:

[K'Naan - rap]

Don't waste your time, no  
Don't waste your time just looking back  
You always seem to be looking back  
Feels like your mind's always somewhere else  
You're always looking over your shoulder  
Looking back  
You always seem to be looking back  
Feels like your mind's always somewhere else  
You're always looking over your shoulder

[K'Naan - rap]

Don't waste your time just looking back  
You always seem to be looking back  
Feels like your mind's always somewhere else  
You're always looking over your shoulder  
You always seem to be looking back  
Feels like your mind's always somewhere else  
You're always looking over your shoulder

You're always looking back  
Over, and over, and over  
You're always looking back
