

## Walnut Tree

Keane

Once there was a great storm,  
Pushed my head beneath the waves,  
I was gone.

Underneath the walnut tree,  
Where you said you'd wait for me,  
And I waited a long, long time

I waited a long, long time,  
I waited a long, long time,  
I waited a long, long time,  
I waited a long, long time.

Why, why do I come here?  
Seeking out the memories I hold in,  
'Cause you put your spell on me,  
Made me live in memory,  
And im frozen in just the wrong time.

I waited a long, long time,  
I waited a long, long time,  
I waited a long, long time,  
I waited a long, long time.
