

We Might As Well Be Strangers

Keane

1. I don't know your face no - more
Or feel your touch that I adore
I don't know your face no - more
It's just a place I'm looking for

R: We might as well be strangers in another town
We might as well be living in a different world
We might as well
We might as well
We might as well

2. I don't know your thoughts these days
We're strangers in an empty space
I don't understand your heart
It's easier to be apart

R: We might as well be strangers in another town
We might as well be living in a another time
We might as well
We might as well
We might as well be str - an - gers
Be str - an - gers

For all I know of you now
For all I know of you now
For all I know of you now
For all I know
