

# Anywhere

Keaton Simons

Yeah, wear those shoes  
You know  
They go with that skirt  
You know  
You take so long to get your hair  
just right  
Put your coat on  
Then you turn to me and you say  
Do you think I'm ready?  
You think I'd let you walk away?  
No way baby

Hey!  
I told you, you look great  
Where you going?  
You're not going anywhere  
Anywhere, I said  
Get back in this bed  
Where you going?  
You're not going anywhere  
Anywhere

Said, you've got things to do  
Well I wanna do things to you  
The world won't shut down if you  
skip today  
Turn your phone off  
Who you gonna call anyway?  
If you miss that shit  
No one's gonna trip  
And if you still don't get it  
Come read my lips  
I said

Hey!  
I told you, you look great  
Where you going?  
You're not going anywhere  
Anywhere, I said  
Get back in this bed  
Where you going?  
You're not going anywhere  
Anywhere  
You're not going anywhere  
You're not going anywhere at all

So why not let the day pass  
We can re-laps  
And waste the time away  
Yeah don't get all pissed off  
Just because you lost  
The way I see it we're  
both winners here  
So you get up  
And you turn to me and you say  
Now can I get ready?  
Just let me think if that's ok

Hmmm...

No way baby

Hey!

I told you, you look great

Where you going?

You're not going anywhere

Anywhere, I said

Get back in this bed

Where you going?

You're not going anywhere

Anywhere
