

## Dirty, Low Down and Bad

Keb' Mo'

I ain't got no woman but I don't feel sad  
I ain't got no woman, but I don't, no I don't feel sad  
'Cause the woman that was with me  
She treated me so dirty, lowdown, and bad  
Well, I cried when she left me  
Cried all night, alone in my bed  
You know, I cried when she left me  
Cried all night, alone in my bed  
Yeah, but then one day it hit me  
I should be happy instead  
Well, now, why should I be sorry  
That the girl had to leave  
All she did was hurt me  
Keep me beggin' on my knees  
And a whole lot of my money  
Ended up in her hands  
And she turned around and told me  
I was just a broken down old man  
See, I ain't got no woman but I don't feel sad nor bad  
'Cause the woman that was with me  
She treated me so dirty, lowdown, and bad  
Yes, she's bad  
Now, the next woman that I gets me  
I'm gonna treat her the best way that I can  
You know, the next woman that I gets me  
I'm gonna treat her the best way that I can  
But in turn she's gonna have to treat me  
Like the real, real, real man I really am  
Ohh, yeah, yes, she do
