

# I'm A Hero

Keb' Mo'

I know I'm just a workin' man  
Sometimes I need a helpin' hand  
It's alright

They hardly ever notice me  
They never raise my salary  
It's alright

Maybe I don't seem so bright  
And my future's lookin' dim  
And I'm runnin' in a rat race  
That I'm never gonna win

I may not be a soldier, in the army  
And I don't have money, fortune or fame  
And there's nobody out there, strokin' my ego  
But when it comes to my woman  
I'm a hero

Don't know technology  
I'm not as smart as I wanna be  
It's alright

But I know the recipe  
And the terminology  
For love  
Sure enough

Maybe she'd be better off  
With an educated man  
But she's my inspiration  
And I'm doin' the best I can

I may not be a soldier, in the army  
And I don't have money, fortune or fame  
And there's nobody out there, strokin' my ego  
But when it comes to my woman  
I'm a hero

My baby loves me  
And she knows what I need  
And when she holds me  
I feel like a king  
And if I ever lose her  
Oh Lord what would I do?  
I might go crazy

I may not be a soldier, in the army  
And I don't have money, fortune or fame  
And there's nobody out there, strokin' my ego  
But when it comes to my woman  
I may not be a soldier, in the army  
And I don't have money, fortune or fame  
And there's nobody out there, strokin' my ego  
But when it comes to my woman  
I'm a hero  
I'm a hero

She thinks I'm alright, oh Lord  
She believes I'm a hero
