It Hurts Me Too

You said you was hurtin' you almost lost your mind Now the man you love he hurt you all the time But when things go wrong ooh wrong with you It hurts me too

You'll love him more when you should love him less Why lick up behind him and take his mess But when things go wrong whoa wrong with you It hurts me too

He love another woman yes i love you But you love him and stick to him like glue When things go wrong ooh wrong with you It hurts me too

Now he better leave you or you better put him down No i won't stand to see you pushed around But when things go wrong ooh wrong with you It hurts me too
