

## Still There For Me

Keb' Mo'

O darling my dear  
please let me hold you near  
you waited long time  
while i made up my mind  
i can't believe  
that you're still there for me

i stumble  
i fell  
and now i'm here to tell you  
i need you right now  
i'll stay and we'll work it out

i can't believe that you're still there for me  
kept on forgiving me  
you gave me everything  
i know now  
i'm sure  
my heart has found a cure  
i'm ready  
i'm strong  
but you knew that all along  
i can't believe  
that you're still there for me

o darling my dear  
please let me hold you near  
this is where i'm at  
i'm gonna learn how to love like that

i can't believe that you're still there for me  
i can't believe that you're still there for me
