

## Whole Nutha' Thang

Keb' Mo'

I don't care much about cocaine  
And you never see me jumpin out no airplane  
Wine and whisky don't gimme no thrill  
And I don't care nothin 'bout them nasty little pills

But women now that's a whole nother thing

You won't see me wastin all the money I made  
And you ain't gonna never see me drive no escalade  
If you're looking for a handout you wastin' your time  
I wouldn't give a crutch to a cripple, I wouldn't give a bum a  
dime

But women that's a whole nother thing

Now when you talk about your women that's a whole nother thing  
I like 'em big tall short fat thin and in between  
I like 'em when they're gentle and I like 'em when they're mean  
I like 'em when they whisper but I love 'em when they scream

(Don't be tellin me what to do with my money  
I know a good investment when I see one  
Look over there walkin' by look at that ... )

I don't buy stock, I don't place no bets  
And I won't be smokin' none of them stanky cigarettes  
Only one think make me throw my money away  
And that's a little TLC and a little T&A

But women that's a whole nother thing  
I'm gonna say it again - women that's a whole nother thing

play the blues somebody...

(come here baby let me buy you a house)
