

# I Said The Wrong Thing To The Right Girl

Keel

You know I'll always remember  
The first night that we met  
I was a kid and you were a queen  
With a touch I could never forget

I made my mind up easy  
I didn't have much choice  
I said the things that I had to say  
In the wrong tone of voice

I got lost in my feelings  
I didn't know what to do  
I couldn't breathe, I couldn't stare  
So afraid of loving you

I said the wrong thing to the right girl  
I had to turn and walk away  
I said the wrong thing to the right girl  
Cuz love's a dangerous game to play, yeah  
Love's a dangerous game to play

Hey  
What's your name?  
Can I buy you a drink?  
How do I look?  
And what does she think?

She took me home  
And begged me to stay  
We both knew what  
I had to say

And as I got in the taxi  
She blew a kiss goodbye  
Sometimes I call out her name and I wonder  
Why I didn't try

I said the wrong thing to the right girl  
I had to turn and walk away  
I said the wrong thing to the right girl  
Cuz love's a dangerous game to play

I said the wrong thing to the right girl  
I had to turn and walk away, yeah  
I said the wrong thing to the right girl  
Cuz love's a dangerous game, a dangerous game to play

I said the wrong thing to the right girl  
I had to turn and walk away  
I said the wrong thing to the right girl, yeah

I said the wrong thing to the right girl  
I had to turn and walk away  
I said the wrong thing to the right girl  
Cuz love's a dangerous game, a dangerous game to play

I said the wrong thing to the right girl

I said the wrong thing, whoa yeah!  
I said the wrong thing to the right girl  
I had to turn and walk away  
I said the wrong thing to the right girl  
Sometimes I call out your name  
I said the wrong thing to the right girl  
You were the right girl  
I said the wrong thing to the right girl
