

Tears Of Fire

Keel

Wounded angel
She came to me
Her broken heart
In agony
Seeking answers
She cried to me in vain
Hopelessness
Filled my eyes with pain

Tears of fire
From a heart so cold
Tears of fire
Feel my passion flow
Tears of fire
Burn into my soul
I could never let you go

I couldn't help myself
Forgive me if you can
It really wasn't me
I hope you understand
Too many memories
To throw it all away
I'd never leave you anyway

Tears of fire
From a heart so cold
Tears of fire
Feel my passion flow
Tears of fire
Burn into my soul
I could never let you go
