

## Come Damnation

Keep of Kalessin

Almighty  
Will to power  
Prosper in darkness  
Blooming  
With sinister urges

Come damnation  
Levitation  
Antichristian  
To the core

Inside  
Beyond  
And everlasting  
The path to the throne  
I walk alone

For all willing  
And daring to be taken  
For upheaval  
No shadowed  
By second thought

Inside  
Beyond  
And everlasting  
The path to the throne  
I walk alone  
I walk alone

By the twisted  
The wretched and unpure  
The everlasting  
The seed of the unholy  
For all willing  
And daring to be taken  
For upheaval  
Not shadowed  
By second thought
