

# Reptilian Majesty

Keep of Kalessin

Ruins towering around  
Shadows of the past  
Built again all their splendour  
Trophies of war and triumph  
A march of victory  
How can one who's heart is ravenous  
Settle with concord?

Still the hunger prey on heart  
Eats away at a growing void  
A peace that weakens the spirit  
A war that needs a world  
Grant me the power to rise from mortal  
Grant me the spells to raise the dead  
When all is lost and all is won  
How does one go on?

How do I go on?

And so it is written  
In the ancient scrolls:

"Descending comes the ones of old  
Down from the skies from long time told  
A mountain in size with wings like a bird  
Thunder and fire in smoke obscured  
So begins the reign of the one  
To long has his makers been gone  
Reptilian order ones roamed this land  
Time for retribution  
Revenge is at hand!"

Revenge is at hand!!

Being not of our time  
Here is not of your kind  
Your world is for me to burn  
Earn the right to bear your name

My name is equal to destruction

I am the centre of the universe  
The beginning and the end  
I am the unstoppable adverse  
Through me you'll transcend  
It's written in an ancient tongue  
That men can not pronounce  
There is only one law and one justice  
And it's punishable by death!

"The spear of darkness  
Has overthrown the light  
Possessed by the darkness  
I walk the path of your ruin  
I've bled to become what I am  
The master of the black tower  
The dragon of many colours and none

I will live after the stars have lost their fire  
To the rebirth of a new cosmos  
I claim revenge of the slain who summoned me  
Why have I been awakened?"

Rise!  
From the fire that created the flames  
Bow to the master of the blackwind  
By the grace of my broken scales  
I curse you!  
Your lifesbane disbanded forever

Divinus Maiestatis  
Caelestis Maiestatis

Caelestis Maiestatis  
Priscus Creatura  
Divinus Maiestatis  
Caelestis Maiestatis

In these final hours  
Before death will take me  
I give you my true name  
This is my name forever  
And this is my memorial name to all generations

Elevate me from human  
Make me the imperishable one  
Grant me eternal life  
Make me The One

Grant me the power to rise from mortal  
Grant me the spells to raise the dead  
When all is lost and all is one  
How does one go on?

How do I go on?

And so it is told in the ancient tongue:

"Descending comes the ones of old

Down from the skies from long time told  
A mountain in size with wings like a bird  
Thunder and fire in smoke obscured  
So begins the reign of the one  
To long has his makers been gone  
Reptilian order ones roamed this land  
Time for retribution  
Revenge is at hand!"
