

# Lost In This Moment

Keith Anderson

I see your momma and the candles and the tears and roses  
I see your daddy walk his daughter down the isle  
I feel my knees start to tremble as I tell the preacher  
Don't she look beautiful tonight

All the wonderful words in my head I've been thinking  
You know I wanna say 'em all just right  
I lift your veil and angels start singing  
Such a heavenly sign, yeah

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
There's no doubt

Sealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with you

I smell the jasmine floating through the air like a love song  
Watch my words draw sweet tears from your eyes  
Bow our heads as the preacher talks to Jesus  
Please bless this brand new life, yeah

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
There's no doubt

Sealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with you, yeah

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
There's no doubt

Sealing our love with a kiss  
Waited my whole life for this  
Watching all my dreams come true  
Lost in this moment with you

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
There's no doubt

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Lost in this moment with you

Lost in this moment with you  
I am completely consumed

My feeling's so absolute  
Lost in this moment with you

Lost in this moment with you  
I am completely consumed  
My feeling's so absolute  
Lost in this moment with you
