Some shit you wanna hear, yaknahmsayin?
Let's get ready to rumble, yeah..

When my, funk's mastered like flex
I touch more earsets than nynex
Lbm puts words together like triple yahtzee
Performin open heart surgeries with a hand-grip shottie
My creepy wisdom mixed with leaky ism splits em
And attacks the rhythm like an exorcism
Blood leaks out my ink pen, I start killin
Stinkin, bitches like ? ? joe rifkind? ?
(rifkind.. rifkind..) yahh!!
I strangle angels from a brooklyn angle
Rectangular mangle (and tango) incur single

P-a-s-s-i-o-n

As the world goes around, I'm breakin down competitors
Like the predator, niggaz check my metaphors
(yea, word up) let the bullshit, ride, put the clip inside the steel
When the verbal starts to peel, motherf**kers know the deal (yeah)
Like ac/dc (word?) I'm charged off the energy
The cipher is my soul psych the soul is my serenity (word up)
Time and time again I grip the pen with a vengeance
Disruption of your cypher niggaz label me a menace
The villain, I'm feelin, another, lyrical combustion
Eruptin, bustin out my brain (whooh!)
So ignite the flame it's the lyrically insane
I, open up the vault searchin for the buried treasure
With in the brain, increase the measures do whatever

Whatever.. niggaz! k-keith mu..

Keith what? y'all niggaz don't want it, I get widdit
Quicker, than a nigga with a piss-bag done shitted
Niggaz, be like, quit it
Cause my renditions be expeditions
For niggaz on them straight looney missions (nigga)
Funk lord productions be sayin somethin (word)
For niggaz in the street who wanna fight
And press charges, I got somethin (bitch)
Throw that, you could get the bozack
Cause I leave homicide mummified and all you hoes know that

Right about now, it's kelly kel
Kel vicious, bout to get.. ill

I make a hundred crews give me enough respect
Cause my shit got the major funk effect, so check it
Select it, my rap style be highly respected
Challenge kel vicious get burnt, expect it
I'm twenty-one, and I'm a phe-nom-enon
The def squad, l.o.d. live on and on
These forty ounce drinkers, drinkers, big drug sellers
Smellin like a blunt and if you front I'll split your melon
