

Wicked as It Seems

Keith Richards

Traveling down a road that's lonely
Wondering why you're feelin' blue
Living just for yourself only
I know what you're going through

Looking through those shady lenses
Will distort the view
Yeah, can't you see that
Love is needed?
Let me share my life with you
Make your mind up
Where we wind up
It's up to you
It's up to you

How can you see the new horizon
When you hide your heart away?
The past has made you so protective
But those are dues you had to pay

Now throw away the gloomy makeup
Groovin' is the thing to do
Well, time to wake up
All your feelings
Let the sun come shining through
Make your mind up
Where we wind up
It's up to you
It's up to you
It's up to you
Hey hey hey

Throw away that gloomy makeup
Groovin' is the thing to do
Yeah, time to wake up
All your feelings
Let the sun come shining through
Make your mind up
Where we wind up
It's up to you
It's up to you

It's up to you
Make your mind up
Where we gonna wind up
You know it's up to you, girl
It's up to you
Make your mind up
Where we wind up
You got to make your mind up
Where we wind up
It's up to you
