

# Anything Goes

Keith Sweat

Anything goes (that's right)  
(come on)  
I got to see you in that sexy thong (yeah)  
I'm kinda tipsy and i'm feeling strong (ha, ha)  
And i'm a stick it to ya all night long  
(all night long, all night long - yep, yep, yep, yep, yep)  
Girl, i know just how to wet it up (ewww)  
Take my lovin' and just feel you up (ha, yeah)  
Basically i just don't want a crush  
(want a crush, want a crush)

When you step in my room (anything goes)  
And i'm all up on you (anything goes)  
To the edge of the bed (anything goes)  
(anything goes, anything goes)  
Like a night up in vegas (anything goes)  
Like them girls that be shakin' (anything goes)  
Like them pimps that come playin' (anything goes)  
(anything goes, anything goes)

Girl, you know i aim to please  
And i'll make you weak at the knees (oh, yeah)  
Got all the tricks from 'a' to 'z'  
You'll be at your girl's spot  
Talkin' all about me  
Girl, i got that whip appeal  
And i'll heat it up just like a meal  
Girl, keep you open  
Give you chills  
You know i'm gifted  
I got skills

When you step in my room (anything goes)  
And i'm all up on you (anything goes)  
To the edge of the bed (anything goes)  
(anything goes, anything goes)  
Like a night up in vegas (anything goes)  
(anything goes, ohhh)  
Like them girls that be shakin' (anything goes)  
Like them pimps that come playin' (anything goes)  
(anything goes, anything goes)

When you step in my room (anything goes)  
And i'm all up on you (anything goes)  
(you and me, girl)  
To the edge of the bed (anything goes)  
(anything goes, anything goes)  
(whew, yes it does)  
Like a night up in vegas (anything goes)  
(ohhh, yes it does)  
Like them girls that be shakin' (anything goes)  
Like them pimps that come playin' (anything goes)  
(anything goes, anything goes)

Like a fire place  
Got ya burnin' up  
Like a bully, girl

I'm a beat it up  
Like a picture frame  
Got you on the wall  
Screamin' out for more  
Screamin' out for more  
Like a boxer girl  
I'm a knock it out  
Like a preacher, girl  
I'm a make you shout  
From your draws to your legs  
From your legs to your a\$\$  
I'll be freakin' you  
I'll am freakin' you

When you step in my room (anything goes)  
And i'm all up on you (anything goes)  
To the edge of the bed (anything goes)  
(anything goes, anything goes)  
(aw, yes it does)  
Like a night up in vegas (anything goes)  
Like them girls that be shakin' (anything goes)  
(anything goes)  
Like them pimps that come playin' (anything goes)  
(anything goes, anything goes)

When you step in my room (anything goes)  
And i'm all up on you (anything goes)  
(aw, yes it does)  
To the edge of the bed (anything goes)  
(anything goes, anything goes)  
Like a night up in vegas (anything goes)  
Like them girls that be shakin' (anything goes)  
Like them pimps that come playin' (anything goes)  
(anything goes, anything goes)

(anything goes)  
I told you that anything goes (anything goes)  
(anything goes)  
(anything goes, anything goes)  
Oh yeah  
(anything goes)  
Aw, yes it does (anything goes)  
Yes it does (anything goes)  
Anything goes (anything goes)  
(anything goes, anything goes)
