

Chocolate Girl

Keith Sweat

(Chocolate girl, all I want is you)
You look so dark and lovely standing over there
Now let me ask you a question
Does it taste as good as it looks
Chocolate girl, we can dance all night
I wanna know baby (no)
Let me bring it to you just like this

Let's go to dinner at eight, um
Wine and dine you I just can't wait
Before the night is over
Go to the movies at ten
Take you out when it ends
All I ask is one request
Is she real

I need a chocolate girl (oh whoa baby)
Someone to rock my world (on no, no, no)
I need a chocolate girl
Right now (right), right now (right, right now)
I need a chocolate girl (I need me a chocolate girl)
Someone to rock my world (oh yes I do my baby)
I need a chocolate girl
Right now, right now

Let's make love through the night, uh
Whatever's wrong I'll make it right
You don't have to worry bout a damn thing (not a one thing)
Open your doors let me in, oh yeah
All I wanna do is be your friend
All you got to do baby, baby, baby, baby
Give me your love

I need a chocolate girl (I need me a chocolate girl)
Someone to rock my world (no, no, no, no)
I need a chocolate girl
Right now, right now (right... now)
I need a chocolate girl (you don't have to worry bout a damn thing)
Someone to rock my world
I need a chocolate girl (oh no, no, no, no, no)
Right now, right now (bring your body on baby)

Chocolate girl (I need you baby)
Someone to rock my world (yeah, come here)
Ooh, oh baby
Chocolate girl
Someone to rock my world
Yeah, yeah...

I need a chocolate girl (I need me a chocolate girl)
Someone to rock my world (oh yes I do my baby)
I need a chocolate girl
Right now, right now (right... now)
I need a chocolate girl (you don't have to worry bout a damn thing my baby)
Someone to rock my world
I need a chocolate girl (girl I'm gonna treat your body, body, body right)
Right now, right now (girl bring it on)

Chocolate girl (all I need is one)
Someone to rock my world (somebody I can give my all and all and all and all
to my baby, they tell me my baby)
Chocolate girl (the blacker the berry baby)
Someone to rock my world (the sweeter the juice)
