

# He Say She Say

Keith Sweat

Yeah, yeah, yeah  
(Oh, oh, oh, oh, oh)  
Yeah, yeah, yeah

Tell me why is it that  
You have no trust in me  
When I go out at night  
You're always paging me  
You just wanna believe  
That I've been messing 'round  
With every young chick from here  
On the other side of town

Listening to your so-called friends  
You don't even trust your man  
I might as well be doing wrong  
Cause every night when I get home

Keisha told Eve  
And Eve told Dawn  
And Dawn said I've been messing 'round  
And Lisa told Kim  
And Kim told Sue  
And Sue couldn't wait  
To run and tell you

I get so sick and tired  
You looking at me strange  
Last night you even asked me why all my sheets changed  
I caught you reading names off of my caller id  
Do you think I'm a freak  
Cause you don't have no trust in me

Listening to your so-called friends  
I don't think you understand  
I got same ones all up in your face  
They in here tryna take your place

Kim told Dre  
And Dre told Ted  
And Ted said I've been in his bed  
And Dick told Chris  
And Chris told Drew  
And Drew couldn't wait  
To run to you

Oh, oh  
(Yeah, yeah)  
He said, she said  
(He said, she said)  
He say, she say  
(He said, she said)  
Uh yeah uh  
(He said, she said)  
You know don't let it get you  
(Yeah, oh)  
Yo huh

You know what they say  
When you listen to the wrong folks  
It makes you do the wrong things  
Nah, nah, nah, nah, uh-uh

Keisha told Eve  
And Eve told Dawn  
And Dawn said I've been messing `round  
And Lisa told Kim  
And Kim told Sue  
And Sue couldn't wait  
To run and tell you

Kim told Dre

And Dick told Chris  
And Chris told Drew  
And Drew couldn't wait  
To run to you
