Hood Sex

Keith Sweat

Ha, ha, ha, ha, yeah Ooh, ooh, ooh She's got the hood sex, hood sex, hood sex Yeah, yeah, yeah

No other girl can make me feel the way that she do When she put that thang on me and like some kind of voodoo I cannot fool anything, baby's always got me Anything, girl, got me on anything

And even though she from the hood She treat her brother right plus the sex is good I like how she calls me 'Daddy' when we're sexin' She holds it down for me and makes me feel like a man

I'm for loving it where the players play Gotta a lotta homies from up around the way I got a thang for them girl that be bringin' that Hood sex, hood sex
