

In And Out

Keith Sweat

Telephone, two way, pager, cell phone, e-mail, fax, home mail gram.

These are just some of the ways people communicate what's on their mind.

But instead you got me guessing, stressing girl you messing up my flow.

I might as well give this thing up cause I just don't know which way to go.

If you ain't trying' to be with me.

Then why don't you just up and leave.

But if you truly want to stay then just let me know.

You can't keep on running in and out, out of my life,

Into my bed, or out of my heart, and into my head.

You can't keep on runnin' in and out.

Want you stay so we can work things out.

Roses, candy, diamonds, first class flights, and five star vendor.

There were nothing you wanted girl that I would not do for you.

All I get is fuss and fighting, bitching, complaining yeah.

If you ain't feelin' me no more, you know what you need to do.

If you ain't tryin' to be with me.

Then why don't you just let me be.

But if you truly want to stay then just let me know.

You can't keep on running in and out, out of my life,

Into my bed, or out of my heart, and into my head.

You can't keep on runnin' in and out.

Want you stay so we can work things out.

Listen girl, I'm just a man, doing all I can, girl I understand sometimes it ain't easy.

Everywhere I go, everybody know.

Ladies at my show tryin' to get at me.

But I'm down for you.

Nothing I won't do, but you gotta choose either you're in or out girl.

Make up your mind because you're wasting time.

Do you want me girl like I want you?

You can't keep on running in and out, out of my life,

Into my bed, or out of my heart, and into my head.

You can't keep on runnin' in and out.

Want you stay so we can work things out.
