Merry Go Round

Keith Sweat

(Merry go round and round)
Ho, ho, no
I'm sick and tired of goin' 'round
(Merry go round and round)
Why you wanna do this to me, baby
Hey no, no, no, no, no, no, no

It must feel good to you, baby To hurt me over and over again, yeah, baby And it must feel good to you, baby To see me cry, yeah, girl

You say, you will, you say you won?t Baby, why don't you make up your mind You say, you do, you say, you don't Baby, baby, please be kind

You love me now, and then you don't Baby, why do you keep playin' these games I feel like I'm on a merry go round Goin' round and round and round and round

Merry go round and round Merry go round and round Merry go round and round Round and round and round I go, baby Where I'm gonna stop, baby, only you know that

Didn't I give you everything, baby You ever wanted, girl, yes, I did And all I ever wanted to do, baby Is satisfy your world, yeah, yeah, baby, baby, babe

I gave you this, I gave you that But it didn't mean anything When you love someone right You don't expect them to do you wrong, baby, baby, babe

Why did I do to deserve this pain, girl You just keep doin' this same thing over and over again I feel like I'm on a merry go round Goin' round and around and around And around and around

Merry go round and round Merry go round and round Merry go round, baby Round and round and round I go, baby Where I'm gonna stop, baby, only you know that

(Merry go round and round) Merry yeah yeah Merry, merry go round (Merry go round and round) I just can't understand it, baby (Merry go round and round) Why do you wanna treat me like you do, girl

I don't know, baby

(Merry go round and round) Everything you wanted I always gave you, girl (Merry go round and round) You didn't have to want for nothin' You didn't have to ask for nothin', baby (Merry go round and round) I tried to be the best that I could be, baby

(Merry go round and round) And now you treat me like I'm nobody, nothin', baby (Merry go round and round) Life is, life is so, so unfair
