Your body

My body, your body  
(All over your body baby)  
My body, your body  
My body, your body  
(All over my body girl)  
My body, your body  
All over my body girl

My body, your body  
(All over your body baby)  
My body, your body  
My body, your body  
(All over my body)  
My body, your body  
My body, your body  
All over my body girl

In the middle of the night  
When my body's feenin' for you baby  
Gotta call you up and let you know  
It's what I'm feeling baby

Nine one one zero zero twenty four  
Baby it's an emergency  
I'm calling 'cause I gotta have some more  
How would you like if I lay you down  
(If I lay you down, yeah)  
Would you like it if I was to sex you down  
I can't think about nothing else  
You scintillate me with your love  
It ain't no secret girl  
Your body fits me like a glove

My body all over your body babe  
(Baby, it's your body babe)  
Your body all over my body babe  
(Yours over mine)  
My body all over your body  
It's your body baby  
(It's yours all over, over your body babe)

My body all over your body babe  
(It's your body, yeah)  
Your body all over my body babe  
(I cling to your body baby)  
My body all over your body  
(Baby, it's your body babe)  
Oh, it's your body babe  
All over my body girl

want to fill you up  
'Til your river flows all over me  
want to feel your precious treasure  
Wrapped around me oh so tightly  
In, out, I want to hear you shout

Won't you come on baby, let me break you off  
I guarantee I'll turn you out

How would you like if I lay you down  
Would you like it if I was to sex you down  
Baby girl stop fighting  
You know you want me just like I want you  
Never had a lover  
That would do the things that Johnny can do

My body all over your body babe  
(It's your, yeah)  
Your body all over my body babe  
(Said it's your body)  
My body all over your body  
It's your body babe  
(It's your body babe)  
All over my body babe  
(My body)

My body all over your body babe  
(Said it feels so good)  
Your body all over my body babe  
(Said it feels so nice, so nice)  
My body all over your body
