

(There You Go) Tellin' Me No Again

Keith Sweat

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

Please be mine, oh, girl
Because I really, really, really wanna be yours
Every time I ask you oh, you give me your love
You tell me you're not ready, tell me, girl
Why, oh, why do you wanna keep holdin' on

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

I've been searchin' all my life
Oh, baby, and I will, I will find somebody just like you
And now that I think my search is over, yeah, baby
Can't you see, can't you see girl
What I'm goin' through' Why?

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

You know sometimes I start thinkin', girl
How good it would be if you were mine
This sadness fills my whole world
Said you would not, said you would not be my girl
Whoa, ho

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

Girl, what would it take
What would it take for me to win your love
What would it take, girl
What can I do, there you go tellin' me
No, no, no, no, no again

There you go tellin' me no again
There you go, there you go
I wanna be more than just your friend
Don't you know, don't you know

There you go tellin' me no again
There you go, there you go
