

# Where Did I Go Wrong

Keith Sweat

Come on, yeah, yeah, yeah, yeah  
Uh huh, yeah, yeah, yeah, yeah  
Who you know  
Make you dance like I do?  
Huh? Let me know  
Who you know  
Make you dance like I do?  
L.S.G.

I remember when  
You gave a damn about me  
And how I made you so happy  
And now I wish that things could go  
Back the way they used to be, girl  
Tell me where did I go wrong  
Do you have a answer for me, baby?  
Where did I go wrong  
'cause you're driving me crazy, crazy, crazy

Everything was cool yesterday  
Until you told me you had to get away  
Away, no explanation  
You must be in a situation somewhere else  
Gotta be  
'Bout the only way you can leave me by myself  
Was it something your girlfriend  
Said I did?  
Or was it just a misconception  
Of the life I live  
Did I party too much for you, girl?  
Tell me what I gotta do  
'cause never in my wildest dreams  
Did I think you would leave

All I wanted to do  
Was be a man to you  
I worked so hard  
To keep us together  
Whatever it was  
That makes you wanna leave  
Baby, I'm sorry, I wish you would tell me  
Where did I go wrong?
