

## Why Me Baby?

Keith Sweat

(Why, why me, baby) Girl, I need to know why  
(Why me, baby) What did I do, girl, what did I do  
(Why, why me, baby)  
You broke my heart

Check this out, honey  
It seems like 99 years have gone by  
Since the last time I talked to you, you know  
I never realized that somethin` so innocent and so sweet  
Could make a man feel so much pain  
Times you`d jump out of my car and I`d chase you till I was out of breath  
Go to your job and pick you up  
But you never showed up that day  
Where were you, baby  
Who was you seein`, it`s a hurtin` feelin`, sugar  
How could you, why would you abuse my love, sweetheart  
Cursin` me out in front of my friends  
And I could never do anything to you  
'Cause there was no way I could hurt somethin` I treasured so much  
Thought I was right on time, but it seems like I was too late  
You hurt me, baby  
But hey, I`m man enough to admit it  
What I want to know is why

(Why, why me, baby) {Tell me why, baby, tell me why}  
(Why, why me, baby) Tell me, baby  
(Why, why me, baby) Tell me, baby  
You broke my heart, baby {Check this out}  
(Why)

Yo`, the way it happened was crazy  
We had a argument  
I didn`t see you for two or three days  
And then when I go to the movies to get you off my mind  
I see you sittin` there holdin` hands with the next man  
Caught you on the phone a couple of times, but it was always your cousin  
Step off, just a friend  
People used to tell me, ;°L, she was fakin` ;±  
But I couldn`t see it, I was blinded by love  
Nothin` was too expensive  
No night was too rainy  
I was always there for you  
I did things few call me a fool for doin`  
Droppin` your friends off, all that  
All I wanted in return was your undivided attention and love  
If my heart had eyes it would cry  
You`re still in my world  
Life is worth livin` love  
Tell me why

(Why, why me, baby) Why would you do it to me, baby, yeah, yeah  
(Why, why me, baby) You hurt me so bad when you left me, baby  
(Why, why me, baby)  
You broke my...heart, baby {Tell 'em what time it is, Keith}  
(Why) {Tell 'em what time it is}

I walk around talkin` to myself

Do another day gets nothin`  
Am I goin` crazy, baby  
I look at the photograph that we once shared  
And think about the moment, yeah, yeah  
About each other  
Remember the poems I used to say to you, girl

There`s a right and a wrong way to love somebody  
I`ll always give all my love to you  
I`m on a merry-go-round and round  
Girl, how deep is your love  
I`ve got to go outside in the rain  
It`s nice to believe that we can last forever  
Why, why, why, why me  
No, baby, no, baby, no, baby, no, baby, no, baby  
No, no, no, no, no  
Somethin` natural  
Ooh, do you know, do you know how much I love you  
You were my woman and I was your man  
Oh, girl, I`ll never, never, never, never, never, never understand
