

# Yumi

Keith Sweat

Yumi yumi yum  
Come and give me some  
Ooh baby, ooooh  
Yumi yumi yum  
Come and give me some  
Ooh baby  
Is this deja vu  
Can I be wit you tonight  
(Juicy juicy juicy, come with my love)  
Do you like it fast  
Or do you like it slow  
I'll do it so right  
(Juicy Juicy Juicy)  
Somebody help me sing this song  
(I know what you like)  
You see baby I know what you like  
(you wanna a love like mine)  
Ooh I know you wanna a love like mine girl  
(I know what you need)  
Ooh baby I know what you need  
(So bring your lovin' to me)  
Bring it on, Bring it on to me  
(Yumi yumi yum come and give me some)  
Yumi yumi yum  
(Juicy Juicy Juicy)  
Come on and bring me some  
(Yumi yumi yum come and give me some)  
(Juicy Juicy Juicy)  
I love the way you work it hmmm  
Good is the way you wanna play  
All night long  
(Juicy Juicy Juicy)  
All night long  
You don't have to worry pretty baby  
I will not do you wrong  
(Juicy Juicy Juicy)  
Ooh bring your lovin' on  
(I want your body tonight, juicy juicy juicy)  
Girl I want your body tonight  
(I can do you right, you right, you right)  
Ooh I can do you right  
(So bring your lovin' home, juicy juicy juicy)  
Bring your lovin' home baby  
(Cause girl you know whats on, whats on, whats on)  
Girl it's on, it's on, it's on, it's on, it's on  
(Yumi yumi yum come and give me some)
