Blue Ain't Your Color

Keith Urban

I can see you over there Starring at your drink Watchin' that ice sink All alone tonight And chances are You're sittin' here in this bar 'Cause he ain't gonna treat you right Well, it's probably not my place But I'm gonna say it anyway 'Cause you look like You haven't felt the fire Had a little fun Hadn't had a smile in a little while Baby Blue looks good on the sky Looks good on that neon buzzin' on the wall But darling, it don't match your eyes I'm tellin' you You don't need that guy It's so black and white He's stealin' your thunder Baby, blue ain't your color I'm not tryna Be another just Pick you up Kinda guy Tryna drink you up Tryna take you home But I just don't understand How another man Can take your sun And turn it ice cold Well, I've had enough to drink And it's makin' Me think that I just might Tell you if I were a painter I wouldn't change ya I'd just paint you bright Baby Blue looks good on the sky Looks good on that neon buzzin' on the wall But darling, it don't match your eyes I'm tellin' you You don't need that guy It's so black and white He's stealin' your thunder Baby, blue ain't your color Blue looks good on the sky Looks good on that neon buzzin' on the wall But darling, it don't match your eyes I'm tellin' you You don't need that guy It's so black and white

He's stealin' your thunder Baby, blue ain't your color
