

# I Told You So

Keith Urban

You said you needed your space  
Oh, I wasn't where you wanted to be  
I didn't stand in your way  
I only want you to be happy

And so how surprised am I  
To see you here tonight

Well, can't you see  
That for worse or for better we're better together?  
Please just come back home  
No, don't say that you're sorry  
And I won't say I told you so

Sometimes in our life  
We get to where we wonder  
If the long road that we're on  
Is headin' in the same direction

When it comes to you and me  
We're right where I know we should be

Oh, can't you see  
That for worse or for better we're better together?  
Please just come back home  
No, don't say that you're sorry  
And I won't say I told you so  
I told you so, hey, yeah

Sometimes it's like we're deep in  
Nothing but love  
And the slightest thing can grow so foolishly  
Remind me please

Oh, can't you see  
That for worse or for better we're better together?  
Please just come back home  
No, don't say that you're sorry  
You don't gotta say you're sorry baby

Oh, can't you see  
That for worse or for better we're better together?  
Please just come back home  
No, don't say that you're sorry  
And I won't say I told you so  
And I won't say I told you so  
But I told you so, yeah, hey hey hey yeah

Shoulda known better than to leave me, baby  
Shoulda known better than to leave me, darlin'
