

## Somewhere in My Car

Keith Urban

I'm driving home tonight, catching all red lights  
That's alright cause I don't want to be alone  
There's nobody waitin there, cold and empty bed  
Words I wished Id said come on the radio

Ooh, oh, oh, and I don't know why I do this to myself  
Ooh, oh, oh, I know you're with someone else

But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, it's gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my  
head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring it back oh oh

So, I've been sleeping til noon in the same bedroom  
Where I once held you and it's breaking my heart  
I should take down all those pictures from my wall  
Promises we made won't fill this empty space

Ooh, oh, oh, and I don't know why I just can't let you go  
Ooh, oh, oh, I know you're never coming back

But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, it's gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my  
head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring it back oh oh

But in my mind were somewhere in my car  
And it's raining hard on the streetlight glow  
You got your lips on mine, it's gasoline on fire  
I never will forget, you grabbed my shirt and pulled it over my  
head  
And your fingertips slide up and down my back  
Breathin' hard, steamin' up the glass  
Id give anything if I could bring it back oh oh
