

# Sweet Thing

Keith Urban

When I picked you up for our first date baby  
Well, your pretty blue eyes, they were drivin' me crazy  
And the tiny little thought that was so amazing  
Is they were lookin at me.

I held open the car door for you then you climbed  
Inside and slid on over  
To the other side.. I thought my, oh my..

Sweet thing  
The moon is high and the night is young  
Come on and meet me  
In the backyard under the cottonwood tree  
It's a good thing and I'm wishin  
C'mon sweet thing  
Won't you climb on out of your window  
While the world is sleepin  
Cause you know I need you  
And there's no way I'll be leavin  
Til we're kissing on the porch swing  
Oh my little sweet thing

Yeah I know I'm gonna see you first thing tomorrow  
But I just couldn't wait so I had to borrow  
Uncle Jake's mustang, its his favorite car  
And so I can't stay long..

Standin here feeling like a love struck romeo  
All I wanna do is hold you close and steal a little  
More time, is that such a crime?

Sweet thing  
The moon is high and the night is young  
Come on and meet me  
In the backyard under the cottonwood tree  
It's a good thing and I'm wishin  
C'mon sweet thing  
Won't you climb on out of your window  
While the world is sleepin  
Cause you know I need you  
And there's no way I'll be leavin  
Til we're kissing on the porch swing  
Oh my little sweet thing

Sweet thing, sweet thing..

Oh my sweet thing  
The moon is high and the night is young  
Come on and meet me  
In the backyard under the cottonwood tree  
It's a good thing and tell me I'm not dreamin  
C'mon sweet thing  
Won't you climb on out of your window  
While the world is sleepin  
Cause you know I need you  
And there's no way I'll be leavin  
Til we're kissing on the porch swing

Oh my little sweet thing

Oh cmon sweet thing, sweet thing, sweet thing..

Yeah, cmon now a little now..

Do do do do doo do do do do do do

Oh my little sweet thing, yes you are

Do do do do doo do do do do do do
