Sweet Thing

Keith Urban

When I picked you up for our first date baby Well, your pretty blue eyes, they were drivin' me crazy And the tiny little thought that was so amazing Is they were lookin at me.

I held open the car door for you then you climbed Inside and slid on over To the other side.. I thought my, oh my..

Sweet thing The moon is high and the night is young Come on and meet me In the backyard under the cottonwood tree It's a good thing and I'm wishin C'mon sweet thing Won't you climb on out of your window While the world is sleepin Cause you know I need you And there's no way I'll be leavin Til we're kissing on the porch swing Oh my little sweet thing

Yeah I know I'm gonna see you first thing tomorrow But I just couldn't wait so I had to borrow Uncle jake's mustang, its his favorite car And so I can't stay long..

Standin here feeling like a love struck romeo All I wanna do is hold you close and steal a little More time, is that such a crime?

Sweet thing The moon is high and the night is young Come on and meet me In the backyard under the cottonwood tree It's a good thing and I'm wishin C'mon sweet thing Won't you climb on out of your window While the world is sleepin Cause you know I need you And there's no way I'll be leavin Til we're kissing on the porch swing Oh my little sweet thing

Sweet thing, sweet thing..

Oh my sweet thing The moon is high and the night is young Come on and meet me In the backyard under the cottonwood tree It's a good thing and tell me I'm not dreamin C'mon sweet thing Won't you climb on out of your window While the world is sleepin Cause you know I need you And there's no way I'll be leavin Til we're kissing on the porch swing Oh my little sweet thing

Oh cmon sweet thing, sweet thing, sweet thing..

Yeah, cmon now a little now.. Do do do do do do do do do Oh my little sweet thing, yes you are Do do do do do do do do do
